Dear SRMHS Parents,

Southeast Raleigh Magnet High School has experienced a long-term commitment to teaching those skills associated with the graduation project: paper, portfolio, product, and presentation. The Department of Public Instruction has recently adopted the same model as a high school graduation requirement. On April 7<sup>th</sup> our current seniors will participate in graduation project presentations, and we would like to extend an invitation to each of you to serve on a judging panel.

Our seniors have worked hard over the course of the semester and would benefit from the experience of presenting to a group larger than the Southeast faculty. Our students would profit from your varied life experiences and expertise. As well, you would gain the insight into the process and expectations of an exit standard of this magnitude. Your commitment to supporting the academic programming at Southeast will equip you with the knowledge to guide your own high school student through the process.

If you will be able to join us on the 7<sup>th</sup>, please send an email to [chorton2@wcpss.net](mailto:chorton2@wcpss.net). Please include your name, phone number, and address in the body of the email. We look forward to sharing this special day with you.

Sincerely,

Carrie Horton  
Graduation Project Co-Coordinator  
Southeast Raleigh Magnet High School
